**High quality tea to fit
every style.**

Fundraising Opportuni-Teas

I have been involved in fundraisers in Berks County for over 20 years. One of the most challenging parts of every fundraiser is the up front cost necessary for a successful campaign.

I started Fundraising Opportuni-Teas with that in mind. No money is required until the final order is placed. The only cost is the tea and shipping. All additional funds raised stay with the organization. And best of all there is no minimum order.

There are approximately 77 choices of high quality tea to sell. Each organization can choose which product they feel will best suit their needs. I will assist the fundraising manager with tailoring a campaign to help them successfully reach their goal.

I created this program out of a love of tea and a commitment to our community.

To Tea or Not to Tea

I have a passion for tea. From this passion I have discovered some interesting blends from various vendors. One of the vendors that I enjoy is Metropolitan Tea Company.

Metropolitan Tea Company is known for tea that comes in softwood boxes. Each box contains 25 tea bags. The filter paper of the tea bag is unbleached.

They only use premium Ceylon tea and all natural flavorings. Each blend can be served hot or chilled. The wooden box is made from sustainably harvested softwood trees and has been screen printed. It makes an attractive keepsake or gift.

Many Delicious Flavors

Some of the choices:

Apple Spice, Blueberry, Chamomile, Chocolate Mint, Cinnamon, Cranberry, English Breakfast, Ginger Peach, Hibiscus, Honey, Icedwine, Irish Breakfast, Mint, Jasmine Earl Grey, Jasmine Green, Maple, Monk's Blend, Orange Spice, Peach Apricot, Peppermint, Sencha, Strawberry Green, Wild Blackberry and Wilderness Huckleberry.

Frequently Asked Questions

How much can our organization earn?

Your organization can decide on the selling price. At this time the cost of each box including shipping is \$5. The sachets are \$3 each. We have recommended selling prices but the choice is up to you.

What is the shelf life?

Metropolitan Tea Company uses advanced environmentally friendly techniques to ensure a long shelf life of up to two years for each unopened box of tea. Once the box has been opened, we recommend the tea be used within a year.

How far in advance must I place the order?

Metropolitan Tea Company recommends a minimum of two weeks lead time for delivery. We will contact the fundraising manager as soon as we receive the goods to arrange for delivery.
